**SUPPLEMENTARY INFORMATION:**

**Background**

USDA is charged with the administration and the enforcement of the Federal Meat Inspection Act (FMIA), the Poultry Products Inspection Act (PPIA), and the Egg Products Inspection Act (EPIA). The Secretary of DHHS is charged with the administration and enforcement of the Federal Food, Drug, and Cosmetic Act (FFDCA). These Acts help protect consumers by ensuring that food products are wholesome, not adulterated, and properly marked, labeled, and packaged.

In order to assist the Secretaries in carrying out their responsibilities under the FMIA, PPIA, EPIA, and FFDCA, the NACMCF is being renewed. The Committee will continue to be charged with providing recommendations to the Secretaries on the development of microbiological criteria by which the safety and wholesomeness of food can be assessed, including criteria for microorganisms that indicate whether foods have been adequately and appropriately processed.

Renewal of this Committee and its charter is necessary and in the public interest because of the need for external expert advice on the range of scientific and technical issues that must be addressed by the FSIS and DHHS in meeting their statutory responsibilities. To address the complexity of the issues, the Committee is expected to meet one or more times annually.

Members will be appointed by the Secretary of USDA after consultation with the Secretary of the DHHS. Because of the complexity of matters addressed by this Committee, the Secretary may consult with other Federal Agencies, such as the Department of Commerce’s National Marine Fisheries Service, the Department of Defense’s Veterinary Service Activity, and the DHHS’ Centers for Disease Control and Prevention, for advice on membership appointments. Background materials are available on the Internet at the address noted above or by contacting the person listed above.

**AGENCY:** Department of Commerce (DOC).

**ACTION:** Notice.

**SUMMARY:** This notice replaces the U.S. Department of Commerce (DOC) Pre-Award Notification Requirements for Grants and Cooperative Agreements most recently published in the **Federal Register** on December 17, 2012 (77 FR 74634). This announcement constitutes notice of a recompilation of the Department of Commerce pre-award requirements for grants and cooperative agreements, including all amendments and revisions to date.

**DATES:** This notice is effective on December 26, 2014.

**FOR FURTHER INFORMATION CONTACT:** John Geisen, Department of Commerce Office of Acquisition Management, Telephone Number: (202) 482-0602.

**SUPPLEMENTARY INFORMATION:** The DOC is authorized to award grants and cooperative agreements under a wide range of programs that support economic development, international trade, minority businesses, standards and technology, oceanic/atmospheric services, and telecommunications and information. It is the policy of the DOC to seek full and open competition for awards of discretionary financial assistance funds whenever possible. Moreover, in general DOC financial assistance must be awarded through a merit-based review and selection process. Notices announcing the availability of Federal funds for new awards for each DOC competitive financial assistance program will be posted on [www.grants.gov](http://www.grants.gov) by the sponsoring operating unit in the uniform format for an announcement of Notice of Funding Opportunity (NOFA) published by the Office of Management

and Budget (OMB). Note that the DOC may use the term “Federal Funding Opportunity (FFO)” interchangeably with NOFA. In limited circumstances (e.g., when required by statute), the DOC will also publish notices in the **Federal Register** announcing the availability of Federal funds for new awards.

In accordance with the **Federal Register** notice published on December 19, 2014 (79 FR 75871) and the regulation at 2 CFR 1327.101, the DOC adopted the OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards set forth in 2 CFR part 200 (OMB Uniform Guidance) for DOC Federal financial assistance awards (i.e., grants and cooperative agreements). The DOC is updating its policies and administrative requirements applicable to its assistance programs to reflect the requirements of the OMB Uniform Guidance.

This announcement provides notice to applicants and other interested parties that various laws, regulations, administrative requirements, and Federal and DOC policies procedures apply to all DOC-sponsored assistance programs. A compilation of these requirements may be found on the DOC Web site at [http://www.osec.doc.gov/oam/grants\\_management/policy/default.htm](http://www.osec.doc.gov/oam/grants_management/policy/default.htm). Please note that as these requirements change, the DOC Web site will be updated, but there may be a time lag between when a requirement is effective and when it is posted at the previously referenced Web site. All requirements applicable to Federal awards will be clearly identified in the

terms and conditions of the Federal award.
