

March 20, 2018

The Aleut Corporation  
Attention: Mr. Ryuichi Rudy Tsukada  
4000 Old Seward Hwy, Ste. 300  
Anchorage, Alaska 99503

Dear Mr. Tsukada:

The Restricted Access Management (RAM) Program of the Alaska Region, NOAA Fisheries Service, has reviewed the list of vessels and processors selected by the Aleut Corporation to participate in the 2018 AI directed Pollock fishery.

We find that the approval criteria outlined in 50 CFR 679.4(m)(3)(i) have been satisfied in all respects. Accordingly, the following participants have been approved for participation in the AI directed Pollock fishery:

<b>Participant Type</b>	<b>Vessel/Processor</b>	<b>ADF&amp;G / USCG Numbers</b>	<b>FFP/FPP Number</b>	<b>AFA Permit Number</b>
CV	MUIR MILACH	41021 / 611524	480	480
CV	NORTHWEST EXPLORER	36808/609384	3002	3002
CV	KAREN EVICH	46701/656716	3713	n/a under 60 ft
CV	OCEAN STORM	64667/986786	5000	n/a under 60 ft
CV	MARAUDER	62288/975597	4521	n/a under 60 ft
Shoreside Processor	Golden Harvest Seafood LLC		34707	

A copy of this approval letter must be provided to each approved participant. In turn, each approved participant must retain a copy of this approval letter on board the participating vessel (or on site) at all times and must present it for inspection upon the request of any authorized officer.

If you have any questions regarding this approval, please feel free to contact our office at 1-800-304-4846 (select option #2). Questions regarding in-season management of the AI Pollock directed fishery should be addressed to NOAA Fisheries Service, Alaska Region, Sustainable Fisheries Division at (907) 586-7228.

Sincerely,

Tracy Buck

Program Administrator  
Restricted Access Management
